oneQ

STANDARD LEG BLACK

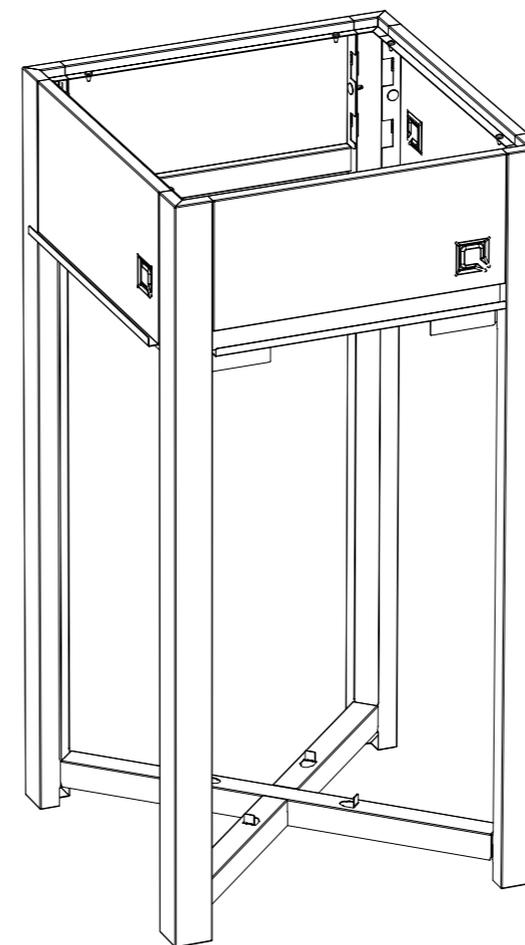

All oneQ modules can be either build into a counter top or table or used with the oneQ Legs.

The oneQ Leg is the 'backbone' of the oneQ system. All Legs are connectable in any direction and fit all oneQ functions and accessories. The standard Leg Black is made out of zinc sealed metal and coated with a heat resistant black powder coating.

It can be assembled without any tools.

Article number : 200901800
EAN-code : 8718469900015
Product size : 440x440x920
Box size : 935x255x135
Weight : 9,7
Materials : Zinc sealed steel
Colors : Black

The oneQ Legs can easily be connected and disconnected allowing you to change or expand the set at any given time.

Every Leg can be provided with any oneQ function. You start with a basic barbecue and expand it into a fully-fledged outdoor kitchen with the cooking options and accessories of your choice.

oneQ

BUILT-IN SOCKET

- Base for built-in Flame and Glow
- Protects from heat radiation
- Holds fat drip cup
- Technical drawings for required opening available
- Possible to combine with a Built-In (Hood) Adaptor

Article number : 900901750
EAN-code : 8718469900343
Product size : 409x440x180
Box size : 430x165x240
Weight : 3,3
Materials : Inox
Colors : Inox

oneQ SMART OUTDOOR COOKING

oneQ Flame

GAS BARBECUE
ZERO EMISSION
NO COLD SPOTS
HIGH HEAT OUTPUT
ELECTRONIC IGNITION
2 x 4KW INOX BURNERS
STAINLESS STEEL GRILL TOP

Built-in Socket

FOR EXTRA PROTECTION
TO HOLD THE OIL DRIP CUP

Built-in Adaptor

FITS ANY 41x41cm OPENING
CREATES EDGE TO HOLD THE SOCKET

oneQ BUILT-IN ADAPTOR

The Built-in Adaptor can be used to build in any oneQ module into a table or kitchen counter. It creates an extra ring to protect the surface. Further you will just need a square opening of 41x41 cm and not an extra recessed groove (see built-in manual for details).

Article number : 900901751
EAN-code : 8718469900411
Product size : 440x440x30
Box size : 475x100x70
Weight : 0,5
Materials : Inox
Colors : Inox

oneQ BUILT-IN HOOD ADAPTOR

The Built-in Hood Adaptor enables you to use the Roasting Hood on your built-in Flame or Glow. Further you will just need a square opening and not an extra recessed groove (like when you are just using the Socket).

The Socket hangs in the Socket Adaptor Plus.

Article number : 900901752
EAN-code : 8718469900428
Product size : 440x440x30
Box size : 475x100x70
Weight : 0,8
Materials : Inox
Colors : Inox

oneQ ROASTING HOOD

The Roasting Hood is a black enameled lid with a hinge to open and close it.

It has a tempered glass part with temp gauge and a bamboo handle.

The lid can be attached to either the side panels of the oneQ Legs or to the Built-in Hood Adaptor.

Article number	: 201501920
EAN-code	: 8718469900800
Product size	: 480x440x200
Box size	: 534x495x222
Weight	: 9,3
Materials	: Steel, Inox, Wood , Glass
Colors	: Black, Inox, Wood

oneQ CLOSE

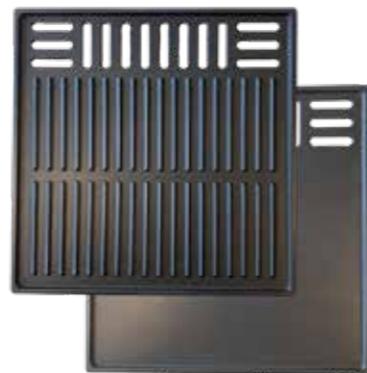

This lid can be used to protect and cover all oneQ functions (either in a Leg or built-in).

It cannot be used on a hot grill.

Article number	: 900901940
EAN-code	: 8718469900701
Product size	: 410x410x15
Box size	: 410x410x22
Weight	: 2,0
Materials	: Inox
Colors	: Inox

oneQ PLATE

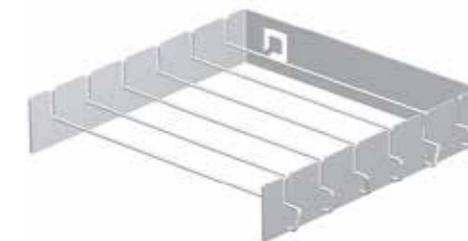

Double sided cast iron teppanyaki plate / plancha to be used with the oneQ Flame instead of the included grill.

The Plate is not suitable for the oneQ Glow.

Article number : 202401902
